

# Oregon Straw Hat Players' production of SIX, Teen Edition

## PARENT CONSENT FORM

Putting together a production is a lot of work for everyone involved, so we want to make sure that both cast members and parents are aware of the commitment that they are taking on if they are cast in the production. Please take time to read the commitments listed below.

### Cast Commitments:

- To be aware of the rehearsal schedule and their individual call times and to come to all rehearsals that they are scheduled for unless they have a registered conflict (or they are ill or have an emergency). If a new conflict arises, to communicate with the director and stage manager about that conflict ahead of time.
- To be early to rehearsals so that rehearsals are able to start on time and while at rehearsals do their best to stay focused and on task.
- To work outside of rehearsal on any lines/songs/etc. as needed for them to perform their role(s).
- To treat their fellow actors, the staff, crew and all those involved with respect and work together as a team.

### Parent Commitments:

- To help their students to understand the cast commitments listed above.
- To volunteer as they are able for set work days and other volunteer opportunities. There will be many opportunities to help, and we ask that parents (or another family member) help at least once.
- To communicate any changes in schedule/conflicts with the director and stage manager.
- To be aware that the students may be asked to bring in items from their own wardrobe such as shoes and tights.

### Cast members are required to be at the following rehearsals and performances in order to be a part of this production:

Monday, June 9 evening, time TBD - Tech/Dress Rehearsal
